WINTER 2023

Dance Choreography Intensive *for Teens!*

Young Choreographers Project

What's DCI?

DCI is an 8-week online mentorship in dance and choreography. Specifically created for young people of all abilities, experience, and backgrounds. YCP provides a supportive workshop environment for students to take an initial creative idea all the way to a professionally produced showcase. Over the course of 8 weeks they will create a dance piece, teach it to other students, and perform the finished product in front of an audience. Along the way, they will develop confidence in their ideas and practice leadership skills.

Each student will experience:

- Collaboration with adult mentors and other students
- Individualized creative guidance
- Experience both giving and getting feedback in a supportive environment
- Learn about the artistic process from end to end

Group Classes

Group class includes discussions and exercises, led by professional choreographers, that expose the students to many aspects of choreography.

Private Mentoring

Students have Mentor support throughout the week through scheduled one-on-one meetings, and individual communication.

Class Sessions: Sundays from 12 pm - 2 pm. All Young Choreographers and Mentors attend.

Mentor Sessions: Scheduled during the week at student/mentor convenience (up to 60 minutes).

Topics Discussed:

- Discovering and creating movement
- Dancing for film
- Music and soundscapes for dance
- Space in the performance area
- Giving and receiving feedback
- Careers in dance
- Producing a dance performance

STUDENT ELIGIBILITY

- Ages 13 - 18 years old
- Passion for movement
- Curiosity about sharing dance with others
- Desire to adapt, create, connect, and contribute

YCP is committed to making DCI accessible to students of all backgrounds. Students of all experiences are encouraged to apply. Acceptance into the program is based on students' desire to learn, not dance training or classes taken.

Program Details

Tuition & Fees

Application Fee: \$15
(non-refundable, due with application)

Tuition: \$785
(if accepted, application fee is credited towards tuition)

Full and half scholarships are available.
Scholarships are awarded based on need, level of commitment, and desire to participate in DCI.
